

Lippitt Trailblazer and Reinsman Award Program

(Revised January, 2014)

Welcome to the newly revised Trailblazer and Reinsman Award Program (T/RAP) for members of the Lippitt Club. This program takes the Saddle and Harness Log of the past and adds a few new incentives for our members.

We believe it is important to recognize those members who are using their registered Lippitt and Half-Lippitt Morgans under saddle or in harness. Time spent training, exercising, trail riding, ranch work, and driving is all counted in this program. Preparation for shows, arena work, riding/driving lessons, clinics and many other past-times spent with your horses all count - just **not** the time spent in or at any form of competition itself.

How does it work? You send an application and \$15.00 to the current Club-designated individual listed on the website or in the Newsletter to enroll in the program. Make your check out to the Lippitt Club. This is a once in a member's lifetime enrollment fee. It covers some of the Club's expenses for the program. When you enroll, you will receive a specially designed ball cap to wear while you are out enjoying your horses.

Use the form (included) to keep track of the hours you spend with your Lippitt Morgans. When you have reached the stated hours of driving or riding, send the form to the current Club-designated individual listed on the enrollment form, the website or in the Newsletter.

We will send you a certificate for that level of accomplishment, and a congratulatory note will be placed in the Newsletter and on the Website. Keep on riding and driving -- your award for participation will be a windbreaker jacket embroidered with your name and declaring your achievement of 500 hours.

Additional *top secret* awards will be made for 1000, 1500 and 2000 hours.

There is no time limit for achieving hours, and no limit on the hours or horses used on any day. The awards are based upon the rider - not the horse(s) you work with. Therefore, more than one horse may be used, but it must be a Lippitt Morgan or Half-Lippitt Morgan (defined as having one full Lippitt parent), and registered with the American Morgan Horse Association and/or its affiliates, the Canadian Morgan Horse Association or the British Horse Society.

There is only one catch: you must remain a member of the Lippitt Club while you are recording hours spent with your horses. If your membership lapses, the hours you spend with your horse while you are not a member will not count. You may resume the program upon rejoining the Club at a later date.

All hours will accumulate on the form provided. You may make copies of the form. Submit the completed form when you reach each level of the program. Mail it to the current Club-designated individual listed on the Website or in the Newsletter. A new form must be submitted as you reach each level of the program.

Happy riding and driving! Go out and enjoy your Lippitts today, and log those hours!

APPLICATION

The Lippitt Club

TRAILBLAZER and REINSMAN AWARD PROGRAM

Please enroll me! I am enclosing my \$15.00 check made out to **the Lippitt Club, Inc.**, to join the Lippitt Club's Trail Blazer and Reinsman Program.

I can't wait to get my new Trailblazer-Reinsman Ball Cap and Hours Log, so I can get started logging hours riding and driving my registered Lippitt Morgan or half-Lippitt Morgan.

Rider/Driver: _____ Phone: _____

Address: _____ E-Mail _____

City, State and Zip: _____
